

# 3, 6, 12, & 18 CU FT ALL-WEATHER STORAGE CONTAINERS

## BRING ON-SITE STORAGE CLOSE TO THE ACTION

Increase the efficiency of your crews by bringing the storage of supplies, tools, and PPE closer to where they are used. WESTERN helps the work get done faster with a full line of durable, weather-resistant, polyethylene storage containers. Four sizes—3, 6, 12, and 18 cu ft—are available to fit your storage footprint. Molded-in fork pockets on the 6, 12, and 18 cu ft models allow for easy placement, even when fully loaded, exactly where storage is needed. To protect the contents, each storage container has a molded-in closure that can be secured with an extended shank padlock.

These versatile containers can be used for a variety of storage applications:

- Rock Salt for Winter Cleanup
- PPE and Oil Dry for Shops and Maintenance Centers
- Bulk Item Storage for Manufacturing Facilities

## SPECIFICATIONS

				
MODEL NUMBER	74069	74071	74073	74075

MORE JOBS. **DONE FASTER.**

# PROFESSIONAL-GRADE QUALITY FOR YOUR SIDEWALK CREWS

No matter the size of the job—big or small—it's about getting it done with efficiency and precision. That's the very reason we've developed this lineup of professional-grade products that are designed to get:  
**MORE JOBS. DONE FASTER.**

## IMPACT™ UTV PLOWS

WESTERN® IMPACT™ UTV snowplows are professional-grade plows designed and built exclusively for utility vehicles. The tough, 6'-wide v-plow is engineered for heavy-duty UTVs and easily adapts to handle 5' sidewalks and gates in angle, scoop or V mode. Straight blade options are available for both heavy-duty and mid-sized UTVs so you can have year-round UTV fun and get your winter work done, too.

## RB-400 ROTARY BROOM

Wrap up detailing jobs in one clean sweep. The WESTERN RB-400 walk-behind rotary broom is a combination sweeper/snowplow that sweeps and scrapes the sidewalk clean along buildings, curbs and edging.

## WB-160D & WB-100B WALK-BEHIND SPREADERS

Sturdy construction and corrosion-free polyethylene for drop or broadcast spreading.

## UTV SPREADERS

WESTERN UTV spreaders are purpose-built with many of the same features and benefits of WESTERN's larger truck spreaders but at the right size for UTVs. The full lineup—including the all-new Drop™ 250 and Drop™ 600 drop spreaders, the 0.35 cu yd Striker™ stainless steel hopper spreader, and the PRO-FLO™ 525 tailgate spreader—features a variety of drop, hopper, and tailgate spreader models and sizes to accommodate your heavy-duty or mid-duty UTV.

## SS-120 SIDEWALK SPRAYER

Pretreat surfaces with liquid anti-icer before the storm to help prevent ice from bonding to the pavement.

## HEAVY-DUTY PUSHER SHOVELS

Constructed with wear-resistant polyethylene and reinforced at the bracket and handle to withstand the demands of commercial fleets.
